

Flight of The Greylag

Flight of the greylag
Flight of the greylag

I've seen a partridge and a pigeon
I've seen a turtle and a dove
I've seen a partridge and a pigeon
I've seen a swallow and a duck

I've seen the flight
Of many birds
But never have
Seen the flight of the greylag

Flight of the greylag
Flight of the greylag

I've seen a partridge and a pigeon
I've seen a pheasant and a duck
I've seen a partridge and a pigeon
I've seen a swallow and a dove

I've seen the flight
Of many birds
But never have
Seen the flight of the greylag

Seen the flight of the greylag
Seen the flight of the greylag
