

## **Longing Rendezvous**

One thousand days  
One thousand nights  
I'll wait for you  
To change your mind

One thousand days  
One thousand nights  
I'll wait to be  
By your side

Somehow  
I'll find a way  
I'll find a way  
Across these borders

Somehow  
You'll find your way  
You'll find your way  
Into my arms again

One day  
We'll travel across  
These meadows  
Beaches  
Countries and oceans

And we'll stay  
Together darling  
I want to spend the rest  
Of my life with you

One thousand days  
One thousand nights  
I'll wait for you  
To change your mind

One thousand days  
One thousand nights  
I'll wait to be  
By your side
